Mercy Health/Love County Hospital, Clinic and EMS proudly offers:

STORM EMERGENCY SYSTEM

When storms knock out the county's regular dispatch operation, the hospital's emergency system takes over. The room is equipped with public safety radios for contacting law enforcement, fire and EMS (ambulance) units. A digital radio scanner monitors

Skywarn storm spotter networks. Back up repeaters receive and retransmit radio signals. Amateur "ham" radio operators report to the room and are deployed around the county under the direction of the Love County Emergency Manager.
