Exemplary Charitable Support Through Local Leadership

The Love County Health Center Foundation serves the people by deciding each year how earnings from the Brannan Trust benefiting the hospital should be spent.

Bill and Bette Brannan and Claude and Jane Brannan, who had successful careers in the oil and cattle industries, created the Brannan Trust in 1974 to benefit the then-new Love County Health Center. The Trust stipulated that the Love County Commissioners would establish the Foundation and appoint a Board of Directors from among residents of Love County.

The Board engages a fund manager to invest Brannan Trust funds. It meets annually to disburse earnings income for hospital projects, equipment, and special needs.
